

Busy Bee Dog Productions Price Quote Questionnaire

Name: _____ Title: _____
Phone: (_____) _____ - _____ E-Mail: _____
Name of Organization: _____
Mailing Address: _____
City: _____ State: _____ Zip: _____

Price quotes depend on many factors. Our rates are anywhere from **\$265-\$750** per day plus expenses. To help us better entertain and prepare a quote for your organization, please answer the following questions:

1. Will you be charging admission to your event?
2. Will you be charging vendors/exhibitors for booth spaces?
3. Are there over 5,000 spectators in attendance?
4. Is this a public attraction that will be advertised for anyone in a geographical area to attend and who is not a "member" (such as a state or county fair, carnival, festivals, circuses, professional sporting events, or other one time annual events or anniversaries)?
5. How many days is this event?
6. Do you have corporate sponsors?
7. What is your attendance?
8. How many days will you need the Busy Bee Dogs to perform (*discounts apply for shows that book the Busy Bee Dogs for 3 days or longer in duration*)?
9. How many times per day do you need the Busy Bee Dogs to perform? Maximum of 3 performances per day (*in order to meet the requirements for the Humane Society of the United States and the USDA APHIS program, we are unable to perform more than 1.5 hours total or more than 3, thirty minute routines in any given day*).
10. How long would you like each performance (20 mins or 30 mins)?
11. Are the performance dates on a holiday? If so, which date(s)?
12. Is this event in the state of California? If not, where is it located?
13. For out of state inquiries, what is the nearest airport?
14. Will there be parking permits issued and/or other special permits for entertainers?
15. Can we park onsite overnight or will we need to drive to the event each day?
16. Will you need the Busy Bee staff to contact local media for your event?
17. Will you need promotional pictures for your advertising needs?
18. Is there an outlet to plug into for power? If so, how close to the staging area?
19. What kind of surface is the performance area? Grass or stage?

Thank you for answering the following questions to help us find an appropriate quote and to help us better entertain at your event.
